

A Poetic Intervention: Intrinsic Freedom

By Maria Contempree

Teacher at Loreto college, Kirribilli, Sydney

mcontempree@loreto.nsw.edu.au

*Part of my intrinsic freedom
is the exercise I give to choice
Taken into my own hands
the responsibility for each action and made- of my mistakes-
at the least
a willingness to learn
Now I see
a further responsibility
to admit
I have failed to nurture you
into loving acceptance
perhaps I don't know enough
even yet
even so
on reflection
I might learn*
